

## **Wilderness Lectures. Covid-19 Update.**

**16<sup>th</sup> March 2020**

### **Helen Sharman lecture: 18<sup>th</sup> March 2020. CANCELLED**

We're very sorry but we have been asked to postpone this lecture. We are in the process of negotiating with Helen and the venue for an alternative date in our autumn series.

Please hold on to your tickets which we will honour for the new date.

When our new series details have been circulated in our brochure at the end of the summer, we will be in a position to either refund tickets or exchange them for alternative speakers if you are unable to make the new date.

We are really, really sorry about having to cancel our last two lectures of this season but we hope that you understand.

We are aware that a lot of people who are not regular members of our audience or FB followers will have bought tickets to this event. We have no way of contacting them at short notice. So, if you have friends who were intending to come to this talk, please will you make sure they know it has been postponed. Thanks

Stay well.

### **Peter Habeler lecture: 1st April 2020**

We very much regret that Peter has told us, understandably, that he is unwilling to risk travelling from Austria in the current circumstances. We are in the process of negotiating an alternative date with him in our next season and will honour all existing tickets at that event. As a result, we will not be offering refunds at this stage. If you hold tickets for this lecture, please don't lose them.

### **End of season**

Because of these cancellations, we have been forced to abandon our usual end of season prize draw. 😞
